

NEW VOTING EQUIPMENT OPEN HOUSE

New voting devices are coming to all Washtenaw County polling locations

You're invited to try the County's new ballot tabulator and accessible device that enables all voters, including those with disabilities, to mark ballots privately and independently.

Attendees will be able to mark and cast a demonstration ballot.

County Clerk's office staff will be present to answer questions.

The new system will continue to use optical scan paper ballots, which can always be recounted by hand.
